ACADEMY OF MANAGEMENT EDUCATION

Access an Affordable Education & Pursue Your Passion

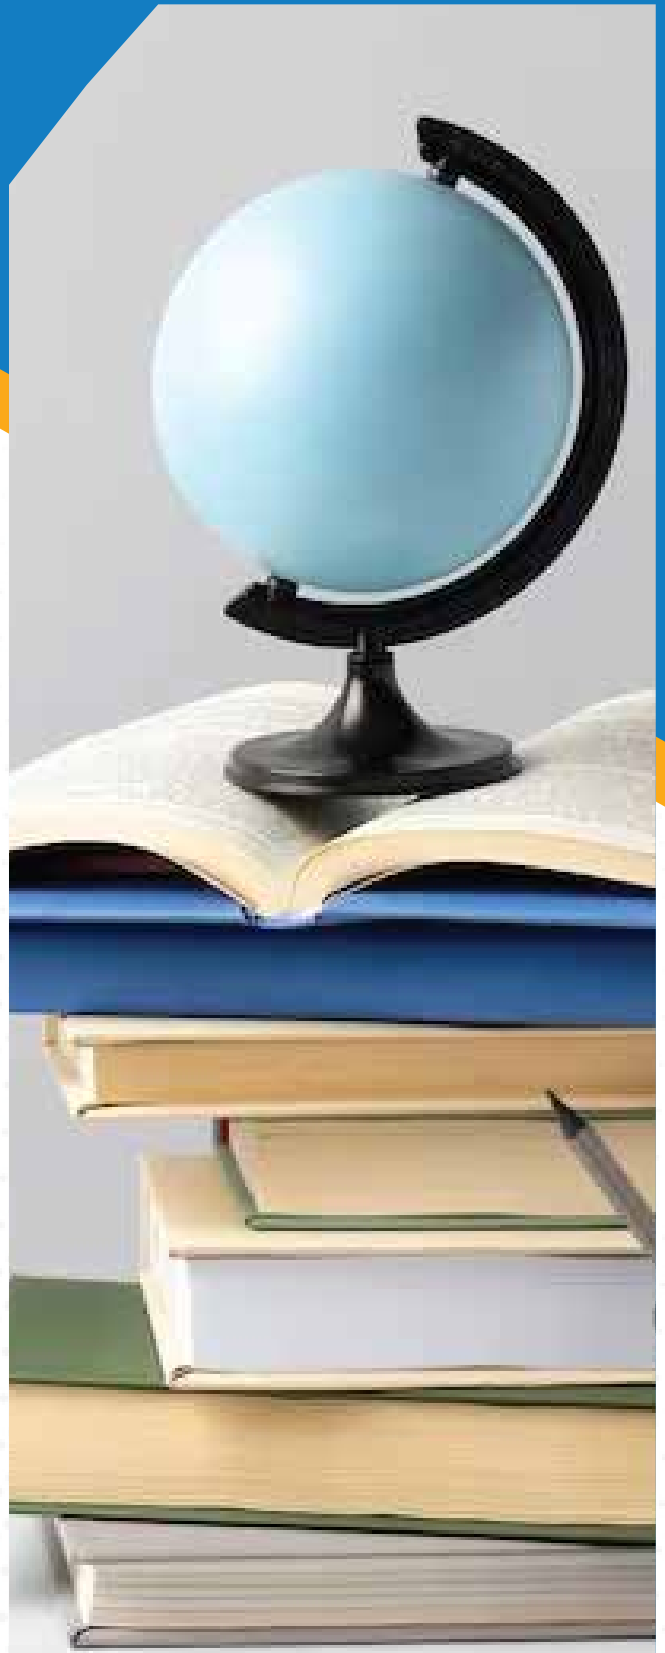

ABOUT FAME

FORE Academy of Management Education (FAME), affiliated with Gurugram University, is a unique academic institution situated in India's corporate hub, Gurugram.

FAME offers a variety of undergraduate programs designed to expand learning boundaries beyond the classroom and textbooks. In our pursuit of intellectual excellence, we value inquisitiveness, experiential learning, and leadership experience. These aspects form the core of our curricular, co-curricular, and extra-curricular activities. While critical analysis and problem-solving abilities are the cornerstones of intellectual development at FAME, a vibrant and positive ethos in and out of the classroom culminates in the holistic development of learners through an enriching learning ecosystem that incubates future catalysts of change.

We are backed by the Foundation for Organisational Research and Education (FORE) four-plus decades of experience in excellence in management education.

ABOUT FORE

Foundation for Organisational Research and Education (FORE) is a leading non-profit institution committed to the advancement of Management Education, Research, Training, and Consultancy with 41 years of excellence in education.

Established in 1981, FORE has been working with industry and academia to develop new domains of managerial thought and education and contributing to the process of building leaders in today's global business environment. Located in the heart of South Delhi, FORE provides contextual learning and helps in the development of students as thinking professionals who can meet the upcoming challenges for tomorrow's corporate leaders.

OUR VISION

To emerge as a socially sensitive center of academic excellence through continuous innovation and research.

OUR MISSION

- To achieve and sustain Leadership in Management Education, Research, Consultancy, and Development.
- To churn out a brigade of Global Change Leaders by adding values through ethical teaching, research, and training.
- Discover and deepen the understanding of management concepts through the usage of technologies.
- To produce insightful leaders who bring positive changes to the world.

OUR CORE VALUES

Built on the Vision to emerge as a socially sensitive center of academic excellence through continuous innovation and research, we are committed to our Core Values of:

-  Excellence
-  Ethics
-  Character & dignity
-  Integrity & Accountability
-  Diversity
-  Creativity
-  Collaboration

MESSAGE FROM OUR CEO

Welcome to the FAME Community.

Here, we provide an exceptional academic environment for incubating future catalysts who outperform global benchmarks. We foster quality leadership by unlocking inquisitiveness for experiential learning in our students. Our flexible teaching methodologies and focus on cutting-edge knowledge bridge skill gaps, and we believe education opens new possibilities beyond career objectives.

We attract the best minds to prepare our graduates for success in the new interconnected and borderless world. At FAME, we encourage holistic personality development and offer a distinct platform for our students to blossom as diversified human assets.

Professor Emeritus (Dr.) Devendra Pathak
Chief Executive Officer, FORE Academy of Management Education (FAME)

MESSAGE FROM OUR DIRECTOR

Greetings,

At FORE Academy of Management Education (FAME), We believe that education is not just a tool for personal growth but also a means of contributing to the progress of the nation and the world. At FAME, we strive to provide a quality education that not only imparts knowledge but also instills values of integrity, compassion, and responsibility.

Our focus is on grooming the next generation of leaders who will be equipped with the necessary knowledge and skills to excel in their chosen fields. We believe in the holistic development of our students, and our faculty is committed to providing a congenial academic environment that fosters experiential learning, intellectual curiosity, and quality leadership.

We understand the challenges that the higher education sector faces in India, and we are committed to bridging the gap between academic delivery and industry expectations. At FAME, we aim to leverage academic delivery to meet the demands of a rapidly changing world by adopting cutting-edge knowledge, a flexible curriculum, and innovative teaching methodology.

Professor (Dr.) Mita Sinha
Director, FORE Academy of Management Education (FAME)

WHY CHOOSE US?

- We build on the foundation and reputation set by FORE Society's 40+ years of excellence in Management Education, Research, Training, and Consultancy.
- We offer a diverse set of programs to cater to the needs of the next generation with updated curricula befitting the new industry
- Being placed in India's corporate hub, Gurugram, gives us the advantage of networking and inviting industry experts as guest speakers
- We ensure that your educational goals are met at affordable prices
- Our hands-on faculty of experts educate, guide, and support students in pursuing their passion
- We encourage diversity and have formed an inclusive ecosystem where you can fit in and thrive
- Our extra-curricular activities help cultivate added skills that holistically develop your mind and persona

PROGRAMS WE OFFER

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration program is a three-year full-time professional undergraduate program in Business Management. It offers knowledge and training in management and leadership skills to prepare students for managerial roles and entrepreneurship. BBA is a popular undergraduate program for students from all three fields, i.e., Science, Commerce, and Arts.

PLACEMENT OPPORTUNITIES

- BBA graduates have tremendous job opportunities in banking, finance, marketing, human resources, operations, Information Technology, and sales- both in India & Overseas.
- BBA graduates can opt for job profiles like Business Analyst, Marketing Executive, HR Executive, Operations Manager, and Sales Executive.
- BBA graduates can opt for higher studies, such as MBA, to fast-track their career in the management and business field.

Bachelor of Computer Applications (BCA)

Bachelor of Computer Applications is a 3-year undergraduate program that focuses on knowledge of computer application basics and software development. The program helps interested students set up a sound academic base for an advanced career in Computer Applications.

PLACEMENT OPPORTUNITIES

- The demand for BCA graduates is increasing rapidly in the ever-growing IT industry. BCA graduates find job opportunities in IT, Software Development, E-commerce, Digital Marketing, etc.
- Some of the job profiles that BCA graduates can opt for include Software Developer, Web Designer, Database Administrator, System Analyst, and Digital Marketer.
- The degree helps interested students set up a sound academic base for an advanced career in Computer Applications. Students can also opt for higher studies in MCA and MBA to improve their prospects.

Bachelor of Commerce (Hons.)

Bachelor of Commerce (Hons) is a 3-year full-time undergraduate program at FORE Academy of Management Education (FAME), Gurugram, Haryana. We are dedicated to rendering our students the best and highest quality of education.

PLACEMENT OPPORTUNITIES

- Banking, Finance, Accounting, and Taxation are among the primary sectors for a Bachelor of Commerce (Hons) to find job opportunities.
- B.Com (Hons) graduates can opt for job profiles like Accountant, Financial Analyst, Tax Consultant, Investment Banker, and Auditor.
- They can also pursue higher studies such as MBA or M.Com to advance in their careers.

Bachelor of Science (Non-Medical)

Bachelor of Science (B.Sc.) (Non-Medical) is a 3-year full-time undergraduate program at FAME wherein students get an opportunity to opt for specializations in the final year. The program offers detailed knowledge of the subject, aiding students in their post-graduation studies. Hence, B.Sc. (Non-Medical) is popular among science students and is often pursued by students aiming for higher studies in related fields.

PLACEMENT OPPORTUNITIES

- Prospective job opportunities for graduates of Bachelor of Science (Non-Medical) lie in sectors such as IT, Education, Research, Manufacturing, and Government Organizations.
- B.Sc (Non-Medical) graduates can opt for job profiles including Data Analyst, Software Developer, Research Analyst, Technical Writer, and Quality Control Analyst.
- Students can work as professionals or even become researchers or pursue their M.Sc. in some of the best institutions in the country.

Bachelor of Arts (Liberal Arts)

Bachelor of Arts (Liberal Arts) is a 3-year undergraduate program that is widely pursued in India. It offers a wide range of subjects, including various branches of Economics, English literature, Political Science, Psychology, etc. Students can choose to specialize in any one subject or opt for a combination of subjects based on their interests. The main objective of the Bachelor of Arts program is to develop highly skilled, versatile, independent, and critical thinkers with a strong foundation in research.

PLACEMENT OPPORTUNITIES

- BA (Liberal Arts) graduates avail job opportunities in Journalism, Advertising, Public Relations, Publishing, and Education.
- BA Liberal Arts graduates can opt for job profiles such as Content Writer, Journalist, Public Relations Specialist, Social Media Manager, and Researcher.
- Graduates can go for Civil Services exams, Provincial Services, Bank P.O., Income Tax, Defense Services, and a host of services in both Govt. and Private Sector.
- Graduates can also pursue higher studies, such as MA in Liberal Arts, Mass Communication, or Journalism, for better career prospects. They can also pursue LLB.

SPECIALIZATION OPPORTUNITIES

FORE Academy of Management Education (FAME) has partnered with Inspire Infotech Pvt. Ltd. to provide our students access to cutting-edge industry programs by **APPLE and MICROSOFT**.

Programs with Specializations:

- ◇ Bachelor of Science (Non- Medical) with specialization in User Interface Design with Sketch, Web & iOS Mobile Application Development
- ◇ Bachelor of Computer Applications with specialization in User Interface Design with Sketch, Web & iOS Mobile Application Development
- ◇ Bachelor of Business Administration with specialization in Data Analytics with Excel and Business Intelligence with Power BI
- ◇ Bachelor of Commerce (Hons.) with specialization in Data Analytics with Excel and Business Intelligence with Power BI
