ABOUT FAME

FORE Academy of Management Education

FORE Academy of Management Education (FAME), affiliated to Gurugram University, is a unique academic institution situated in India's corporate hub, Gurugram.

FAME offers a variety of undergraduate programs designed to expand learning boundaries beyond the classroom and textbooks. In our pursuit of intellectual excellence, we value inquisitiveness, experiential learning and leadership. These aspects form the core of our curricular, co-curricular and extra-curricular activities. While critical analysis and problem-solving abilities are the cornerstones of intellectual development at FAME, a vibrant and positive ethos in and out of the classroom culminates in the holistic development of learners through an enriching learning ecosystem that incubates future catalysts of change.

We are backed by the Foundation for Organisational Research and Education (FORE) and FORE School of Management, New Delhi with four-plus decades of experience in excellence in management education.

MESSAGE FROM OUR CHAIRMAN

At FORE Academy of Management Education (FAME), we proudly uphold the illustrious 44-year legacy of the FORE Group, fostering an academic environment that inspires excellence. Our mission is to nurture future leaders by delivering a transformative educational experience driven by an accomplished faculty, innovative methodologies and a commitment to global standards.

FAME is dedicated to blending academic rigor with practical insights, ensuring students are equipped with the skills to excel in an interconnected, globalized world. Our emphasis on leadership development, entrepreneurship and ethical practices empowers students to thrive in competitive industries.

We focus on holistic growth by combining dynamic extracurricular activities with a strong academic foundation, shaping well-rounded individuals prepared to lead with confidence and integrity. Our vision is to create leaders who will not only achieve professional success but also contribute meaningfully to societal progress and nation-building.

Together, we aim to build a brighter future through education, innovation and leadership.

Dr. B.B.L. Madhukar

Chairman

Foundation for Organisational Research and Education
(FORE)

MESSAGE FROM OUR VICE CHAIRMAN

FORE Academy of Management Education (FAME) is committed to providing an education that empowers students to become successful leaders of tomorrow. As part of the renowned 44-year legacy of the FORE Group, we offer a unique academic environment that fosters creativity, critical thinking and excellence. Our faculty, with their vast experience and expertise, play a crucial role in guiding students through a dynamic learning journey.

FAME's approach to education is designed to prepare students for a rapidly evolving global landscape. By combining rigorous academics with innovative teaching practices, leadership development and entrepreneurial opportunities, we ensure that our students are well-equipped to meet the challenges of the modern business world.

Our vision extends beyond academics. We aim to cultivate responsible leaders who will contribute to sustainable growth and development, both in the corporate world and society. We are proud to shape the future through education, innovation and leadership.

Dr. Vinayshil Gautam

Vice Chairman

Foundation for Organisational Research and Education

MESSAGE FROM OUR CEO

“Education is the most powerful weapon which you can use to change the world.”

- Nelson Mandela

At FORE Academy of Management Education (FAME), we proudly continue the 44-year legacy of the FORE Group, offering an exceptional academic environment driven by a distinguished faculty and dedicated staff. Our mission is to provide global benchmarks in education and entrepreneurship, ensuring that students receive the highest quality learning experience.

With a focus on leadership development, we combine rigorous academics with dynamic extracurricular activities, preparing students for successful careers. Our highly accomplished faculty, known for their expertise and industry experience, guide students toward transformative educational journeys. FAME's flexible teaching methodologies and emphasis on innovation equip students with the skills needed to thrive in a globalized world.

We are committed to a holistic development of our students, shaping them into leaders who will contribute meaningfully to nation-building.

Distinguished Prof. (Dr.) Arunaditya Sahay
Chief Executive Officer
FORE Academy of Management Education (FAME)

MESSAGE FROM OUR DIRECTOR

At FORE Academy of Management Education (FAME), We believe that education is not just a tool for personal growth but also a means of contributing to the progress of the nation and the world. At FAME, we strive to provide a quality education that not only imparts knowledge but also instills values of integrity, compassion and responsibility.

Our focus is on grooming the next generation of leaders who will be equipped with the necessary knowledge and skills to excel in their chosen fields. We believe in the holistic development of our students and our faculty is committed to providing a congenial academic environment that fosters experiential learning, intellectual curiosity and quality leadership.

We understand the challenges that the higher education sector faces in India and we are committed to bridging the gap between academic delivery and industry expectations. At FAME, we aim to leverage academic delivery to meet the demands of a rapidly changing world by adopting cutting-edge knowledge, a flexible curriculum and innovative teaching methodology.

Prof. (Dr.) Mita Sinha
Director
FORE Academy of Management Education (FAME)

FACILITIES

Library

FAME has a well stocked rich library with 5000+ books covering subjects from Arts, Science, Commerce, Business Administration / Management and Computer Applications to other literature of common interest to broaden the diversified domain knowledge of our students and professors.

The library is equipped with Wi-Fi and also comprises a Digital Library. Students can find several International and National Journals and Magazines here. The library offers separate reading areas with comfortable seating arrangements.

Computer Lab

Our state-of-the-art computer lab is equipped with the latest hardware and software to support a variety of learning needs. With high-speed internet, modern systems, and a conducive learning environment, the lab facilitates hands-on experience in programming, digital design and research. Supervised by skilled instructors, it ensures students stay ahead in today's technology-driven world.

Canteen

The Institute has a hygiene-friendly Canteen and Food Court, offering delicious and palatable beverages for the needs of the students with a comfortable space to chill out. Students can explore a variety of dishes from South Indian to North Indian and more.

Sport and Fitness

In college, sports play a key role in moulding the students. This will give mental relaxation to the students from their hectic schedule. Furthermore, sports develop students into well-balanced individuals. It fosters discipline, team work and resilience while encouraging an active life style. Engaging in regular sports and fitness activities not only boosts energy levels but also helps build confidence and reduce stress.

FACILITIES

Hostel

FAME offers a comfortable and welcoming atmosphere for students to rest and study, with separate hostels available for both boys and girls. Located in close proximity to the Institute, our hostels are equipped with modern amenities.

Arts & Clubs

The motto of the Arts & Club is to inspire and enable our students to actively learn and develop their talent and skills that will develop artistic expression. The various clubs help to connect with other students who share their interests, from academics to adventure, through our Clubs.

Student Life

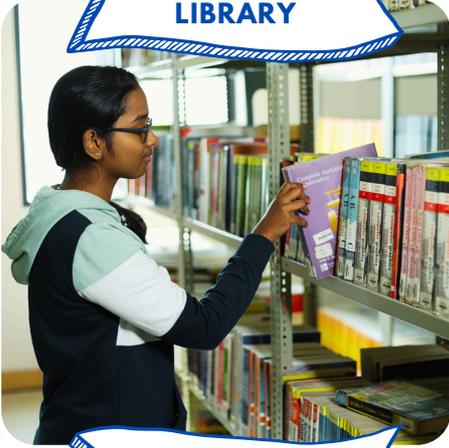

Life on campus for a student is full of exciting opportunities to build a foundation for their entire life. This is a valuable period where you learn and grow, we facilitate student holistic development with various activities apart from learning.
